**How long did it take to make?** 4-6 weeks

**Material:** Nylon fabric

**Amount of Helium:** 3,500 cubic feet

**Number of handlers required:** 20

---

## Other Interesting Facts:

This sweet favorite of the season is 10,600% larger than an actual six inch candy cane. Let this 70' treat be a reminder that you better be nice. Who knows—maybe Santa will put this candy cane in your stocking. Now *that* would be a sweet!

*1988 marked the 20 year anniversary of Dynamic Displays' involvement in the inflatable industry. This Candy Cane has been refurbished since its original creation, in keeping with Dynamic's dedication to excellence in product and service.*
