**Weight:** 200lbs

**It was made in:** 2002

**How long did it take to make?** 2 months

**Type & quantity of material:** 7oz. Vinyl

**Number of handlers required:** 12

---

## **Other Interesting Facts:**

When Bear isn't enthusiastically participating in a parade, he and his little friend, Tutter the Mouse, star in their own television show on the Disney Channel, Jim Henson's *Bear in the Big Blue House*. They can be seen throughout the world, with their other animal friends, performing on both stage and screen. It takes 12 handles to guide Bear and Tutter through their paces.
