**Number of handlers required:** 24

---

## Other Interesting Facts:

This 60 ft fine feathered helium bird gives a whole new meaning to “BIG BIRD.” Asking questions kids want to ask, feeling what kids feel, and experiencing all the things that kids experience, Big Bird is a viewer’s six year-old guide to Sesame Street. Through his broad range of universal emotions, children everywhere have experienced deep friendship, great loss, and of course, the extreme pleasures of a birdseed milkshake.
