Weight: 80lbs

It was made in: 2006

How long did it take to make? 2-3 months

Material: Nylon fabric

Amount of Helium: 2,910 cubic feet

Number of handlers required: 20

Other Interesting Facts:

You wouldn't normally expect to see a Great White Shark so far from his ocean home, but the lure of today's festivities was enough to lure him into the streets for the parade. This huge inflatable fish is only a little bigger than lifesize—great white sharks can grow up to 25 feet in length. Don't worry about him getting out of hand though... he's got 20 handlers holding him in check!
