Is a series of children's puzzle books created by the English illustrator [Martin Handford](#). The books consist of a series of detailed double-page spread illustrations depicting dozens or more people doing a variety of amusing things at a given location. Readers are challenged to find a character named Waldo hidden in the group. Waldo's distinctive red-and-white-striped shirt, bobble hat, and glasses make him slightly easier to recognize than the other characters but beware there are always decoys to distract you.

What some would call hugely ironic, this giant balloon is a Waldo that no one can miss!
